

HLTAID011: Provide First Aid Information Sheet

Target Group

This qualification is suited to individuals who are required to provide first aid in a range of settings including: workplace, community settings and volunteer settings.

Entry Requirements

Nil. However, it is a requirement that participants must be able to perform uninterrupted CPR for at least 2 minutes on an adult resuscitation manikin and infant resuscitation manikin placed on the floor.

Unit Description

This unit describes the skills and knowledge required to provide a first aid response to a casualty. The unit applies to all workers who may be required to provide a first aid response in a range of situations, including community and workplace settings.

The Australian Resuscitation Council recommends that CPR should be updated annually and first aid training renewed every 3 years in NSW.

Volume of Training and Mode of Delivery

The course duration is **8 hours** which consists of both theory and practical. Skills are taught and demonstrated in an environment that provides realistic, industry validated scenarios and simulations to assess the participants skills and knowledge.

Course Cost

The cost of the course is \$110 (including GST). Course costs can be reduced if a workplace can organise a class of 15 participants or more. Contact Training Beyond 2000 for an onsite quote. Course costs include text book, bandages, masks and all materials necessary to undertake the course.

Statement of Attainment Issued

Participants who successfully complete these Units will be awarded a Statement of Attainment for:

HLTAID011 Provide first aid

HLTAID009 Provide cardiopulmonary resuscitation
